My answer:

Question 3

How many monkeys are there in total?

My answer:

Question 4

How many elephants are there now?

My answer:

For grown-ups

Answers

1. The word altogether tells us to add.
2. The word more tells us to add.
3. The word total tells us to add.
4. The word more tells us to add.

Cut out this ten frame and fill it with small toys, pasta or buttons.
