Kindy Maths with Miss K and Coco

Meet the 3D Objects

K Maths 5.5

We are learning

To describe and sort 3d objects.

Colour a star when you can do it!

I can name a sphere, a cube, a cylinder and a cone.

I can say if an object is flat or curved.

I can sort objects that roll and don't roll.

Key words

sphere, cube, cylinder, cone, flat, curved, face, point, roll, slide, 3D object

Grown-ups: try this at home

Collect a ball, a box, a tin and a party hat. Try rolling each one. Which ones roll? Why?

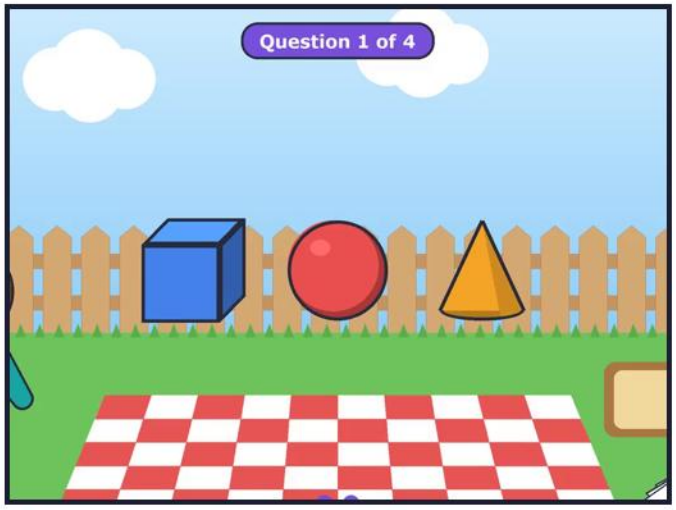
Kindy Maths with Miss K and Coco

Your turn!

K Maths 5.5

Watch the video, then answer these questions.

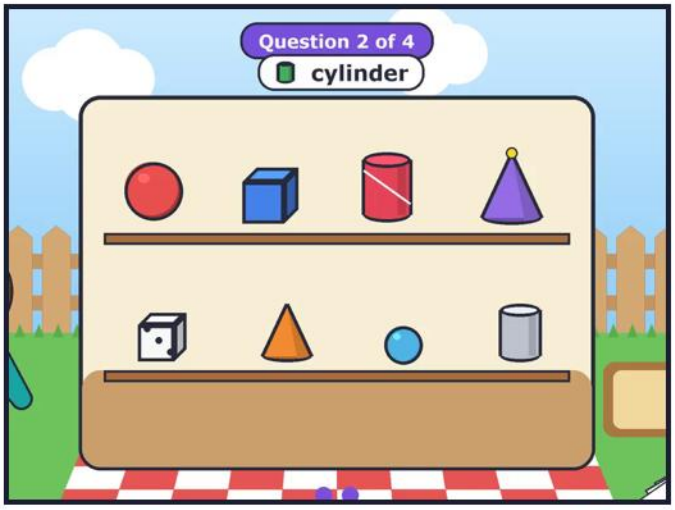
Question 1



Which one is the sphere? Point to it!

My answer:

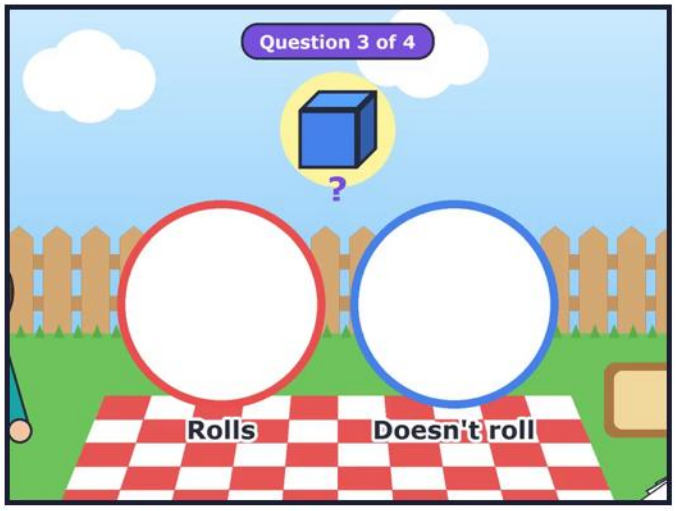
Question 2



Can you find a cylinder in the toy box? Point to it!

My answer:

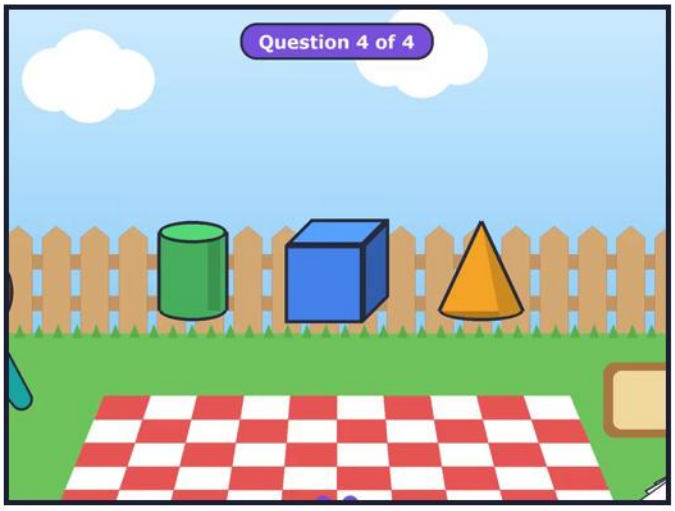
Question 3



Does a cube roll? Where does it go?

My answer:

Question 4



Which one has a point at the top?

My answer:

For grown-ups

Answers

1. That one! A sphere is round, like a ball.
2. There! The drum and the tin are cylinders.
3. Doesn't roll!
4. The cone!

Cut out this ten frame and fill it with small toys, pasta or buttons.
