Kindy Maths with Miss K and Coco

# Unit 2 Review: Parts and Stories

K Maths 2.17

## We are learning

**We are showing what we know about parts, adding and taking away, to 10.**

## Colour a star when you can do it!

**I can find the parts of a number, to 10.**

**I can add and take away, to 10.**

**I can solve word problems and find how many more, to 10.**

### Key words

**whole, part, add, take away, how many more, word problem**

### Grown-ups: try this at home

Play a quick quiz: make a number with blocks, then ask for a missing part or a take away.

# Your turn!

K Maths 2.17

**Watch the video, then answer these questions.**

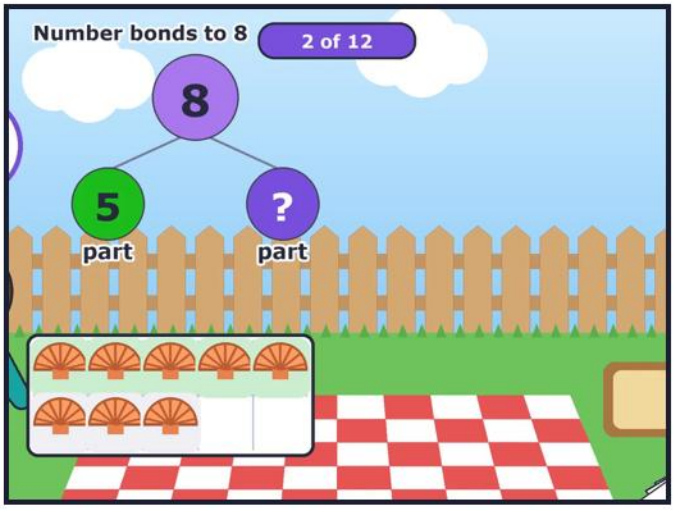

## Question 1

The whole is five. One part is two. What is the other part?

**My answer:**

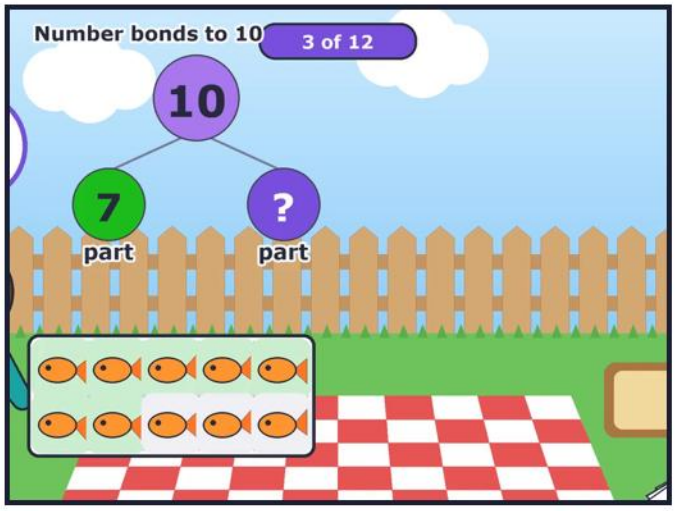

## Question 2

The whole is eight. One part is five. What is the other part?

**My answer:**

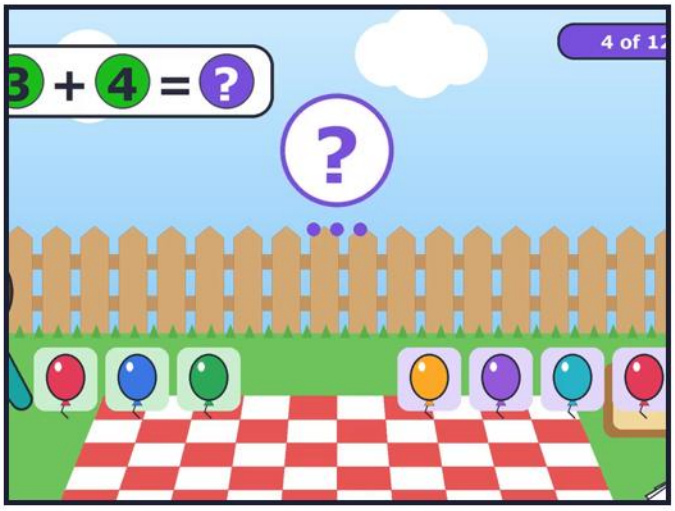

## Question 3

The whole is ten. One part is seven. What is the other part?

**My answer:**

## Question 4

How many are there in total?

**My answer:**

# For grown-ups

## Answers

1. The other part is three! Two and three make five.
2. The other part is three! Five and three make eight.
3. The other part is three! Seven and three make ten.
4. Let's join them together, and count them all.

**Cut out this ten frame and fill it with small toys, pasta or buttons.**
