My answer:

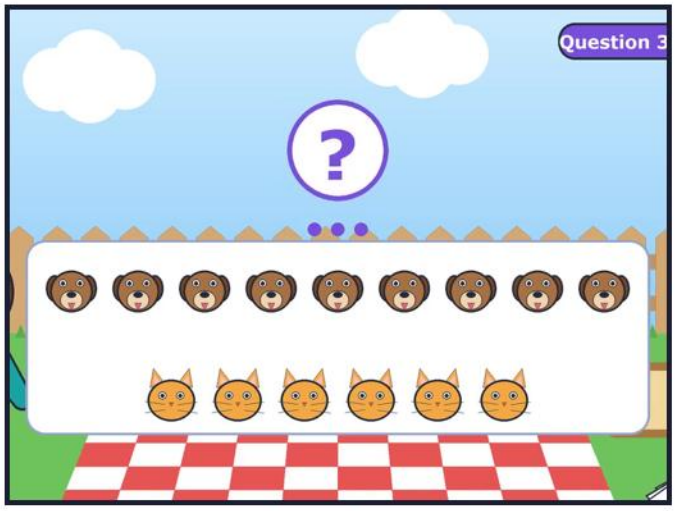

Question 2

How many more blue cubes than red cubes?

My answer:

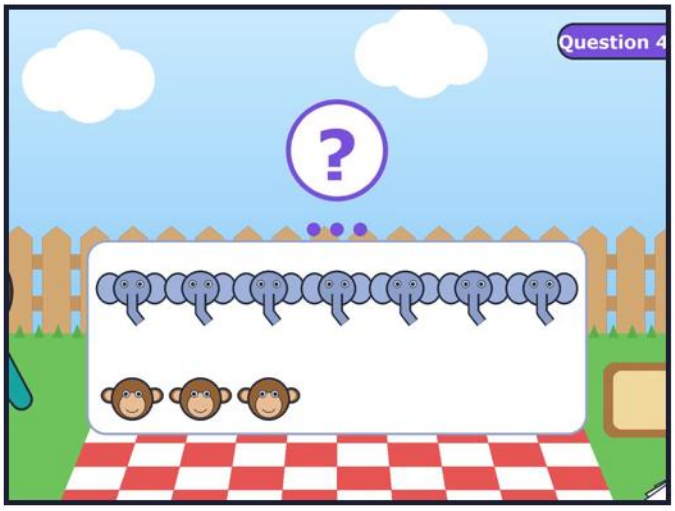

Question 3

How many more dogs than cats?

My answer:

Question 4

How many more elephants than monkeys?

My answer:

For grown-ups

Answers

1. We put the counters in ten frames, side by side.
2. Now we stand the two towers side by side.
3. Let's use the cross-out method. First, we count the smaller group.
4. Let's match them up, with buddies.

Cut out this ten frame and fill it with small toys, pasta or buttons.
