Kindy Maths with Miss K and Coco

Which Holds More?

K Maths 6.5

We are learning

To compare which container holds more.

Colour a star when you can do it!

I can pour to see which holds more.

I can say that taller does not always hold more.

I can pack blocks to see which box holds more.

Key words

holds more, holds less, the same, full, overflow, pour, container, capacity, pack

Grown-ups: try this at home

Fill a cup with water and pour it into a bowl. Does the bowl overflow, or is there room left? Which one holds more?

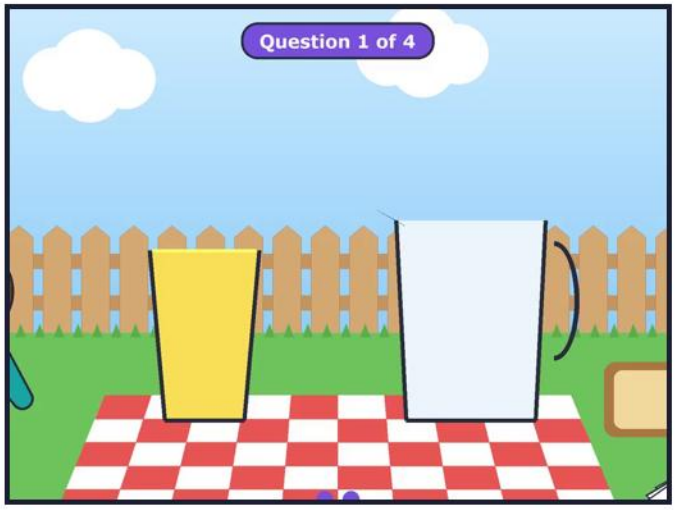
Your turn!

K Maths 6.5

Watch the video, then answer these questions.

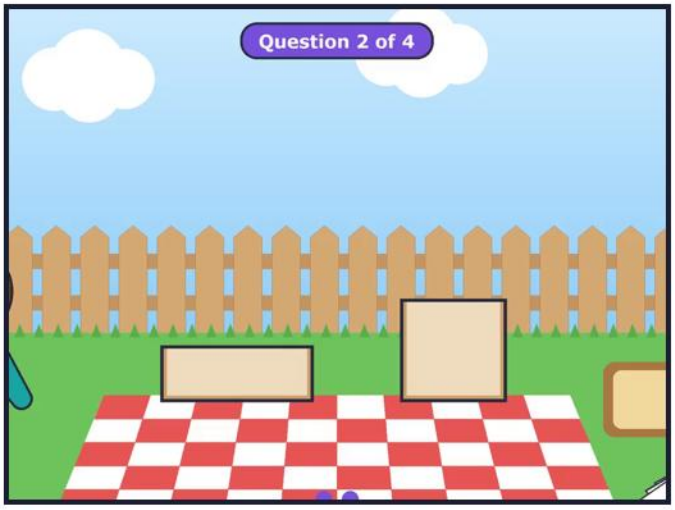
Question 1



Which holds more, the glass or the jug?

My answer:

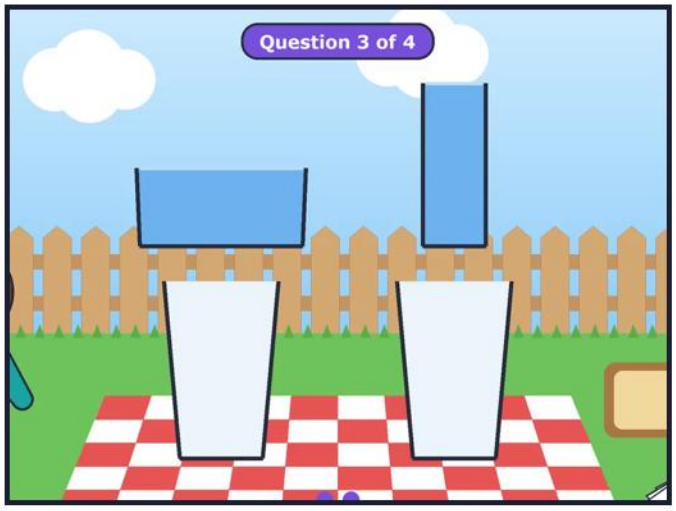
Question 2



Which box holds more blocks?

My answer:

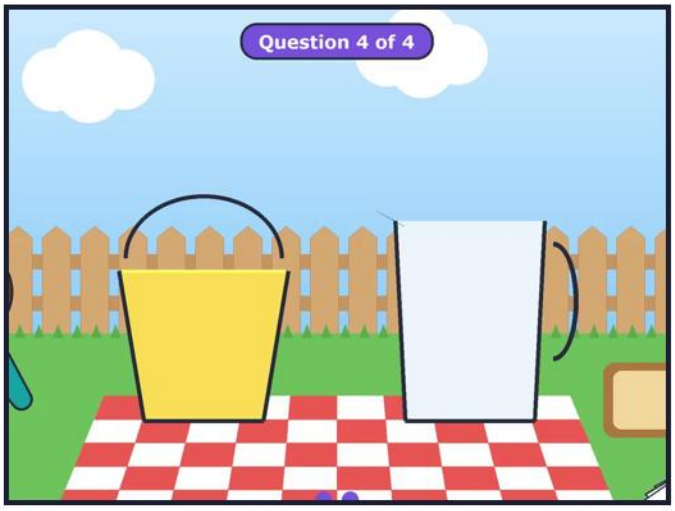
Question 3



Which holds more, the tub or the vase?

My answer:

Question 4



Which holds more, the bucket or the jug?

My answer:

For grown-ups

Answers

1. Let's fill the glass, and pour it into the jug.
2. Let's pack them with blocks, and count.
3. Let's pour each one into a glass. The glasses are the same.
4. Let's fill the bucket, and pour it into the jug.

Cut out this ten frame and fill it with small toys, pasta or buttons.
