Which Covers More? Comparing Area

K Maths 6.6

We are learning

To compare which surface covers more.

Colour a star when you can do it!

I can say area is how much surface something covers.

I can put one on top of the other to compare.

I can count tiles to compare.

Key words

area, surface, covers more, covers less, the same, on top, line up the corners, tiles

Grown-ups: try this at home

Put two books or two placemats one on top of the other, corners lined up. Which one sticks out? That one covers more.
