Year 1 Maths with Miss K and Coco

Estimating Big Collections

Y1 Maths 1.10

We are learning

To estimate a big collection, then count it in tens.

Colour a star when you can do it!

I can make a good guess, to the nearest ten.

I can group things into tens.

I can count the tens, then the ones.

Key words

estimate, about, nearest ten, group, count in tens

Grown-ups: try this at home

Tip out a handful of pasta or Lego. Guess about how many, then count them in groups of ten together.
