Year 1 Maths with Miss K and Coco

Counting to 120

Y1 Maths 1.2

We are learning

To count to 120, and see the number pattern repeat.

Colour a star when you can do it!

I can count past 100 to 120.

I can say what comes after 99 and 109.

I can see 0 to 9 repeat in every row.

Key words

one hundred, one hundred and one, count on, pattern, ones, row

Grown-ups: try this at home

Ask your child what comes after 109 and after 119. They are the trickiest numbers to 120.
