Year 1 Maths with Miss K and Coco

Skip Counting by Twos

Y1 Maths 2.1

We are learning

To skip count by twos.

Colour a star when you can do it!

I can count pairs by twos.

I can skip count by twos to fifty.

I can see the twos pattern on a chart.

Key words

skip count, twos, pairs, every second number, pattern

Grown-ups: try this at home

Count shoes, socks or eyes by twos around the house. Then try counting back by twos from twenty.
