Year 1 Maths with Miss K and Coco

Skip Counting by Tens

Y1 Maths 2.3

We are learning

To skip count by tens, forwards and back.

Colour a star when you can do it!

I can count groups of ten by tens.

I can count back by tens from one hundred.

I can count by tens from any number.

Key words

skip count, tens, ten more, ten less, bundle, column

Grown-ups: try this at home

Count ten-cent coins or bundles of ten pegs by tens. Then start at a number like 4 and count on by tens: 4, 14, 24.
