Year 1 Maths with Miss K and Coco

Counting Collections in Groups

Y1 Maths 2.4

We are learning

To count big collections by making equal groups.

Colour a star when you can do it!

 I can sort a collection into equal groups.

 I can skip count the groups.

 I can count on the leftovers.

Key words

equal groups, skip count, leftovers, collection, twos, fives, tens

Grown-ups: try this at home

Tip out a pile of pegs or pasta. Ask your child to make groups of five or ten, then skip count to find how many.
