Year 1 Maths with Miss K and Coco

Unit 2 Review: Pattern Party

Y1 Maths 2.7

We are learning

To show what we know about skip counting and patterns.

Colour a star when you can do it!

I can skip count by twos, fives and tens.

I can count a collection in groups.

I can find and continue a pattern.

Key words

skip count, twos, fives, tens, equal groups, core, pattern

Grown-ups: try this at home

Play a quick game in the car: count by twos, fives or tens, taking turns to say the next number.

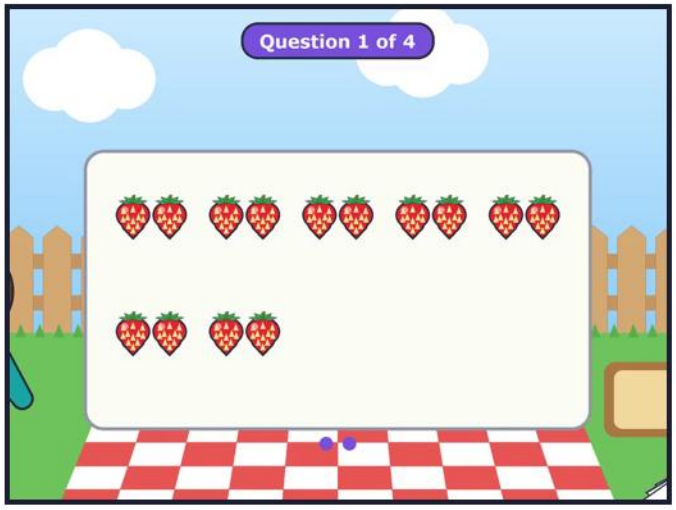
Year 1 Maths with Miss K and Coco

Your turn!

Y1 Maths 2.7

Watch the video, then answer these questions.

Question 1



How many altogether? Count by twos!

My answer:

Question 2
